Ms. Sarah Ferguson

Dear Ms. Ferguson,

I write to seek your cooperation with the Committee on Oversight and Government Reform's investigation into Jeffrey Epstein's sex trafficking operations. The Committee is seeking information from anyone who has knowledge of Mr. Epstein's criminal operations, and reports and released Department of Justice files reveal your close personal and business ties with Mr. Epstein. As the Committee seeks justice for the survivors of Mr. Epstein's criminal enterprise, and transparency for the American public, I respectfully request your cooperation with the Committee's investigation.

Documentation of your relationship with Mr. Epstein includes an email from "Sarah" referring to Mr. Epstein as "a legend" – after Mr. Epstein's 2008 conviction – and writing: "I really don't have the words to describe, my love, gratitude for your generosity and kindness... I am at your service . Just marry me."<sup>1</sup> Moreover, according to Department of Justice documents, Mr. Epstein was involved in discussions to become your company's majority owner.<sup>2</sup> Files also reveal that it appears you contacted Mr. Epstein directly for financial assistance. A January 16, 2010 email from "Sarah" wrote: "Is there any chance I could borrow 50 or 100,000 US dollars to help get through the small bills that are pushing me over.. Had to ask."

Additionally, while you officially divorced former Prince Andrew in 1996, the Committee is interested in learning more about any knowledge of Mr. Mountbatten-Windsor's involvement in Mr. Epstein's operations.

It is clear that you possessed social and business ties to Mr. Epstein and have knowledge of information that can assist our investigation. I request that you cooperate with the Committee's investigation and provide information regarding the crimes of Jeffrey Epstein and his co-conspirators. Due to the urgency of this matter, I ask that you provide a response no later than April 9, 2026.
