Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Plaza Street Sidewalk Safety Improvements project in Fiscal Year 2026. The entity to receive funding for this project is the Town of Leesburg, Virginia, located at 25 West Market Street, Leesburg, Virginia 20176. The funding would be used to construct approximately 1,000 feet of sidewalk along Plaza Street. The project is an appropriate use of taxpayer funds as it will facilitate safer pedestrian travel between low-income housing, schools, public safety facilities, and shopping and employment areas.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Suhas Subramanyam'.
