The Honorable Rosa DeLauro

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Park Central Complete Streets project in Fiscal Year 2026. The entity to receive funding for this project is the City of Manassas Park, Virginia, located at 100 Park Central Plaza, Manassas Park, Virginia 20111. The funding would be used to improve safety and accessibility to the rapidly developing Park Central downtown for pedestrians, cyclists, and drivers. The project is an appropriate use of taxpayer funds as it will mitigate traffic risks, enhance access to public transportation and local businesses, and improve pedestrian and cyclist safety.

The project has a federal nexus because the funding provided is for purposes authorized by 42 USC 5305(a)(2).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Suhas Subramanyam'.
