The Honorable Rosa DeLauro

House Committee on Appropriations  
1036 Longworth House Office Building

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Route 15/Braddock Road Roundabout project in Fiscal Year 2026. The entity to receive funding for this project is Loudoun County, Virginia, located at 1 Harrison Street SE, Leesburg, Virginia 20175. The funding would be used for acquisition or right-of-way and construction of a roundabout at the intersection of Route 15, Braddock Road, and Old Carolina Road. The project is an appropriate use of taxpayer funds because it would help mitigate safety issues and crashes due to inadequate sight distances and lack of turn lanes.

The project has a federal nexus because the funding provided is for purposes authorized by 23 USC 133.

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
