Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Rappahannock County Courthouse project in Fiscal Year 2026. The entity to receive funding for this project is Rappahannock County, located at 3 Library Road, Washington, Virginia, 22747. The funding would be used to construct a new county courthouse to replace the current single courtroom courthouse which no longer meets space or security requirements for today's court operations and functions. The new courthouse would be designed and built to adhere to Virginia's Courthouse Facility Guidelines and provide for adequate space for offices, meetings, jury assembly and deliberation, prisoner holding, secure entry, and circulation needs.

This project has a federal nexus because it is for the purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
