The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Reset180 Housing Program project in Fiscal Year 2026. The entity to receive funding for this project is Reset 180, located at 1930 Isaac Newton Square, Reston, VA 20190. The funding would be used for to build a two-phase shelter and transitional housing program to serve survivors of human trafficking and commercial sexual exploitation, specifically for planning and entitlement as well as construction of buildings and facilities.

The project is an appropriate use of taxpayer funds because this project would provide key services to human trafficking survivors in Northern Virginia including shelter, food, clothing, life skills training, legal assistance, mental health and medical care, and court accompaniment. Housing is the most significant gap in services for survivors of human trafficking.

The project has a federal nexus because the funding provided is for purposes authorized in Section 306 of the Consolidated Farm and Rural Development Act, 7 U.S. Code section 1926(a).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,

A handwritten signature in blue ink, appearing to read 'Suhas Subramanyam'.
