The Honorable Rosa DeLauro  
Ranking Member  
House Committee on Appropriations  
1036 Longworth House Office Building

Dear Chairman Cole and Ranking Member DeLauro,

I am requesting funding for the Upper Occoquan Service Authority Septage Receiving Facility Improvement project in Fiscal Year 2026. The entity to receive funding for this project is the Upper Occoquan Service Authority, located at 14631 Compton Road, Centerville, Virginia, DC 20121. The funding would be used for improving the Upper Occoquan Service Authority's septic waste receiving facility to more adequately and efficiently handle the volume and waste being delivered to the facility. The project is an appropriate use of taxpayer funds because this septic waste receiving facility is vital for the regional processing of waste and grey water and helps maintain healthy and clean water for the community.

The project has a federal nexus because the funding provided is for purposes authorized by Title VI of the Clean Water Act, 33 U.S.S 1383(c)(1).

I certify that I have no financial interest in this project, and neither does anyone in my immediate family.

Sincerely,
